The girls of Stephens College gave a Halloween party last night, at which the various organizations and classes entertained with original stunts. The seniors gave a take-off on the faculty, the juniors imitated a negro minstrel show, the Y. W. C. A. presented a little Thanksgiving dinner scene and the "Hi Beta Steppos" enacted a depot comedy. After the stunts, the entire student body took a silent walk through the empty swimming pool, which was haunted by ghosts, weird animals and unearthly winds. The girls then proceeded to

SPORT

Coach Schulte put his men through a hard signal practice last night. All of the men came out of the Drake game in good shape and the squad is in better condition now than it has been at any time this season. All of the members of the "hospital squad" should be ready for the game with Oklahoma Saturday.

In the line last night Schulte used Slusher and Greenwood at ends, Bass and Ewing at tackles, Chittenden and Kirkpatrick at guards and Kolb at center. In the backfield Morris was at quarter, Rider and Collins at halves and Viner at full. Viner's hip is improving and he probably will be

Schulte's choice for the fullback position Saturday.

A cut on Schroeder's foot has become infected and he was not out in suit last night. He will be all right by Saturday, as will Berry, who was not in the signal practice on account of a sore knee. Captain Hamilton's knee is improving rapidly and he will be ready for scrimmage soon.

Schulte is drilling his men on speed this week in preparation for the Sooners Saturday.

Slight Advantage To K. U.
By Virtue of Saturday's Win.

The victory of Kansas over Ames Saturday, 7 to 0, makes the Jayhawkers loom up as contenders for the Missouri Valley championship honors and also gives them the edge on the Tigers, who were defeated by Ames 15 to 0. The Jayhawkers were lucky to win, according to spectators who saw the Crimson and Blue team in action. A long forward pass was made by a Kansas player, who ran the rest of the distance to the goal, having a clear field and a teammate with him to make interference.

Nebraska was defeated by Michigan 20 to 0. At no time during the game did the Cornhuskers have a chance. This defeat does not hurt Nebraska's chances for the championship of the Missouri Valley Conference, because Michigan is a member of the Western Conference.

Washington University was able to score only seven points against Rose Polytechnic, but this proved enough to win.

Oklahoma did not play a conference game last week but scrimmaged against the freshman team, in preparation for the game with the Tigers on November 3 at Columbia.

The Kansas Aggies, who were idle Saturday, will meet the Jayhawkers on November 3 at Manhattan. All the Farmers were spectators at the Ames-K. U. game last Saturday.

Hogs Sold at Stock Pavilion.

HERSHEYS SENT FREE TO BOYS IN TRAINING

The CO-OP Store Is Doing Its "Bit" for Our Soldiers-to-Be.

MUST HAVE CANDY
Hermetically Sealed 3-Pound Boxes Wrapped Free and Postage Paid.

The CO-OP Store is going to do its "bit" for the boys at the training camps in the neighboring states. It will wrap and pay the postage on all Hersheys bought for the boys in training at Camp Funston or Fort Sheridan, or in any camp or fort in Missouri or any bordering state.

It will cost no more to send a box of Hersheys to a young man in training than it costs to carry it home to eat. The CO-OP has seven boys in actual service and wants to do its part in getting fresh candy to the boys who will soon be in the regular ranks.

Sweets Build Muscles.

Hersheys are made from the best chocolate and best cream and contain the carbo-hydrates which produce heat and build muscles. Plenty of candy helps to develop the muscles and make them tough and sinewy, the doctors say.

A box of Hersheys, 24 5-cent pieces or 12 10-cent pieces, weighs almost three pounds and at the CO-OP's special price of \$1.00 makes it the cheapest first-class candy on the market.

The boxes are hermetically sealed, making them ideal for sending through the mails. And the Hershey Chocolate Company stamps this caution on every box: "This chocolate was in perfect condition when it left our factory. If damaged in any way on opening, please notify us at once."

You take no risk in buying Hersheys for your soldier friends. The CO-OP's liberal offer to wrap and pay postage makes it the best candy to send, and those boys sure need candy. (Advertisement)
